HERCULES FOOTBALL TEAM

TOP SEASON

St. Albert "Hercules" Football Team.

Left to right, Back Row: Bill Herron, first aid administrator; Bob Lee, defensive coach; Mel Wakefield, general manager; Tim Kane; Lawrence Pudlowski; Pat Waunch; Rick Krupa; Tony Vander Gaag; Armand Lacourier; Peter Lee; Emile Pelletier, coach.

Centre Row: Ken Falkingham, Richard MacMillan; Rick Lee; Alex Forbes; Lionel

Bonneville; Moe Kemps; Doug Ross; Larry Powers.

Front Row: Martin Kennedy; Ron Beaugois; Albert Hebert; Neil Ross, Dan Roberge; Leo Ethier, Leo Lefebvre; Henry Bonneville; Peter Chimko.

Missing: Charles Laderoute, Dennis Beaudard; Dave Greene, Pat Fontaine; Earl Anderson; Jim Anderson, Paul Bokenfohr; Dale Cassidy, Gord Jensen, Wayne Haggarty, trainer.

The trip to Lac La Biche was to be the final game of the season and the boys were well prepared for the contest.

The game got underway at 2 p.m. with St. Albert receiving. St. Albert carried the ball to the 50 yard line and had to kick from this point. A field goal was tried and missed by Larry Powers, but a hard charge by offensive centre, Tony Van der Gaag netted a single, by rouging the punt return man.

From then on it was just a matter of superior defence and offensive moves that overwhelmed the opposition. The scores began rolling in when Doug (Tooter) Ross ran an end sweep to net the first touchdown. Neil (Swivel Hips) Ross converted. Danny Roberge then countered again with brilliant passing to the 3 yard line and ran the next play into the end zone on a quarter back sneak.

Albert Hebert netted 12 points. Six on a beautiful run-through the line with blocking that cleared the field, another six on a pass in the end zone.

Roberge then teamed up with Neil Ross for a 40 yard pass and run to paydirt which he converted himself.

It was Roberge and Beaugois combining again for a final touchdown.

The defensive team had worked as hard as the offense to contain the opposition and held Lac La Biche to 4 first downs

and a penetration only to St. Albert's 40 yard line. Larry Powers intercepted four times, Neil Ross twice, Henry Bonneville 2 times and Richard (Laughing Boy) MacMillan once. It was impossible to pick the stars because they all played so well.

The St. Albert Hercules Football Club would like to thank Mr. Bill Herron for his first aid administered to the players during the game and would like to invite him back again next year.

Next, the team and coaches would like to thank Mr. John Chimko for his time and patience in driving the bus to Lac La Biche.

Finally, on behalf of the coaches, I would like to personally say to the players, thank you boys, game well played. We expect to see you out again next year.

Mel Wakefield, Manager,
Hercules Football Club.

Council Meeting, Monday, November 9
Returning Officer's Report Mrs. Barbara Williams, Returning Officer, presented her report regarding the last election. She suggested to Council that for the next election the polling stations in St. Albert be increased from 3 to 16. They are to be divided as follows: Grandin Park, with a electorate of 1947 increase from 1 to 8 polling stations; Sturgeon Heights with 1,038 electors, from 1 to 4; Braeside and Mission Park, with 1,151 electors, from 1 to 4. Each polling station will have 3 booths. The proposals were accepted in principle by Council.

Deputy Fire Chief Mr. Paul Poulin of St. Albert, was appointed Deputy Fire Chief. It was proposed and agreed by Council, that he will be classed as a fireman.

New Hotel Mr. Feheloy, representing West End Realty, the company interested in building a million dollar hotel in St. Albert, attended this meeting and stated that if Council would guarantee that a road will be built from the Highway via St. Anne St., St. Michael St., to the hotel area directly north of the Grandin Shoppers Park, their chances of getting permission from the Alberta High-

or Board for a liquor licence would be greatly increased. Mayor Veness strongly supported this request because he said it is the kind of business St. Albert needs. Council decided to support in principle the building of this road. A letter in this regard will be sent to the West End Realty, with a copy to the Alberta Liquor Board.

Major Recreational Area There was quite a lengthy discussion regarding a major recreation area for St. Albert. Mayor Veness said that we must realize that now is the time to find a suitable piece of land. If we wait too long it might be impossible to buy land, which would be a bad situation for St. Albert. Some of the councillors spoke of a 20 acre lot on highway #2 across from Veness' garage. This privately owned land has a beautiful view from both sides of the river by which it is divided. Council didn't make any decision, but were interested in knowing more about it.

City Status In the near future there will be a meeting with the Deputy Minister of Municipal Affairs regarding city status for the Town of St. Albert. Councillors Fowler and deBruijn will report to Council next meeting.

Remembrance Day

Despite cold, wet weather, several hundred people watched the parade and ceremonies marking St. Albert's 1964 Remembrance Day. The parade, conducted by Marshall Bill Penrose, arrived at the cenotaph at 11 a.m. where everyone stood for the 3 minute silence which ended with the Last Post. Eighty-four year old Father LaRose OMI, builder of the present Roman Catholic Church in St. Albert, and now of the Star of the North Retreat House, was the main speaker at the service. He spoke as follows:

"We commemorate this year the 50th anniversary of the first war and the 25th anniversary of the 2nd war. These two great events bring to us the thought of those who have sacrificed their life or their health for a noble cause. So, today, we are assembled around this cenotaph to pay a tribute of honor and gratitude to our brave fellowmen who have died for their country and for us. It is a sacred duty to revive their image - many of them have died on the battlefield, many have come back crippled for life. Of these, I have known many. Some are still living and suffering. Of the two, I have often asked, who has sac-

rificed more. Those who have died on the battlefield have suffered but a few hours, while the crippled veterans are still suffering, some for now nearly 50 years. While visiting the Shaanessay Veterans Hospital in Vancouver, I have remarked that none of them were complaining, no bitterness in their hearts. Asking them why it was so - one of them told me - "Padre, this is because we have done our duty". Yes they all have done their duty. They have sacrificed everything dear to them, that we may have peace, comfort and happiness. "For greater love than this no man has that a man lay down his life for his friends". So this Remembrance Day recalls the memory of a heroic pass that must influence the reality of our present life. Alan their sacrifices have not always been profitable to the world. Many have failed to imitate them on the home battlefield. We are not enjoying real peace in the era of cold war. There were many on the battlefield of different races, different denominations, but they were all united with the same uniform, the same weapons, the same banner and the same leader - and they have won. If only we could profit by their heroic lesson and be ready to sacrifice our prejudices, our hatreds, for the sake of peace and fraternal love. Oh, how the beautiful words of Lincoln

to his people should be meditated upon today: "With malice toward none, with charity for all, with firmness in the right as God gives us to see the right. Let us strive on to finish the work we are in....."

To build up the nation's wounds, to care for him who shall have borne the battle and for his widow and his orphan. To do all which may achieve a just and lasting peace among ourselves and with all nations."

Reverend Jarvis of the Presbyterian Church spoke a few words then the laying of the wreaths by: Silver Cross Mother Mrs. Fleming; Representing Lt. Governor of Alberta Lt./Col. H. Schwartz; Town of St. Albert - Mayor Veness; Canadian Legion - Rene Kabanoff; Women's Institute - Mrs. Margaret Dolan; Lions Club, Cubs & Scouts, and many individuals. Following the wreath laying ceremony, the parade marched off led by the Air Cadet band.

There was discussion on the parking problem in the downtown area. It was felt that the Town should possibly install one hour time limit parking signs.

Postal services were also discussed.

UNITED CHURCH

UNITED CHURCH BAZAAR HUGE SUCCESS

The St. Albert United Church U.C.W. Bazaar, held Friday, November 6, was among the most successful in the congregation's history. The response of the congregation and community was unusually strong but the bazaar itself reflected several things. More ladies than ever before contributed items and worked in the booths. As St. Albert has grown, new units of the U.C.W. have been formed. Among the tables of baking, Girl Guides, C.G.I.F., and Hi-C, were four tables from the Units. Of particular note was the Morinville table. Last November, Rev. Dr. Schwarz began a series of "cottage meetings" with Protestant families in Morinville. Since that time a Sunday School has been formed of some 30 children, an Explorer group for girls 7-11 has started, a summer Vacation Bibl

School was held and leadership help for Long Island Lake United Church Camp was found. This Fall the use of a building was offered. It has been furnished with chairs, Pulpit and books from an unused church and an organ from one of the interested families. A Chicken Supper has been held and now the ladies have organized and operated a bazaar booth. The progress of the work there has been very impressive.

Also on display was a tea set that was given by interested persons of the congregation and the Official Board to Mrs. P. Upright. Mrs. Upright resigned after a number of years as organist in St. Albert United Church, and is now organist at Wesley United Church, in Edmonton. We heartily thank everyone who, in so many ways, made the Bazaar such a success.

Every Family Visitation Sunday On Nov. 22nd, every family listed on the rolls of the St. Albert United Church will be visited by members of the Congregation, in a spirit of Christian fellowship. The Congregational Dinner for these families will be held on Friday, November 20th at 6:30 p.m. in the Community Hall. Newcomers are particularly invited to attend the dinner and to receive the visitors.

ANGLICAN CHURCH

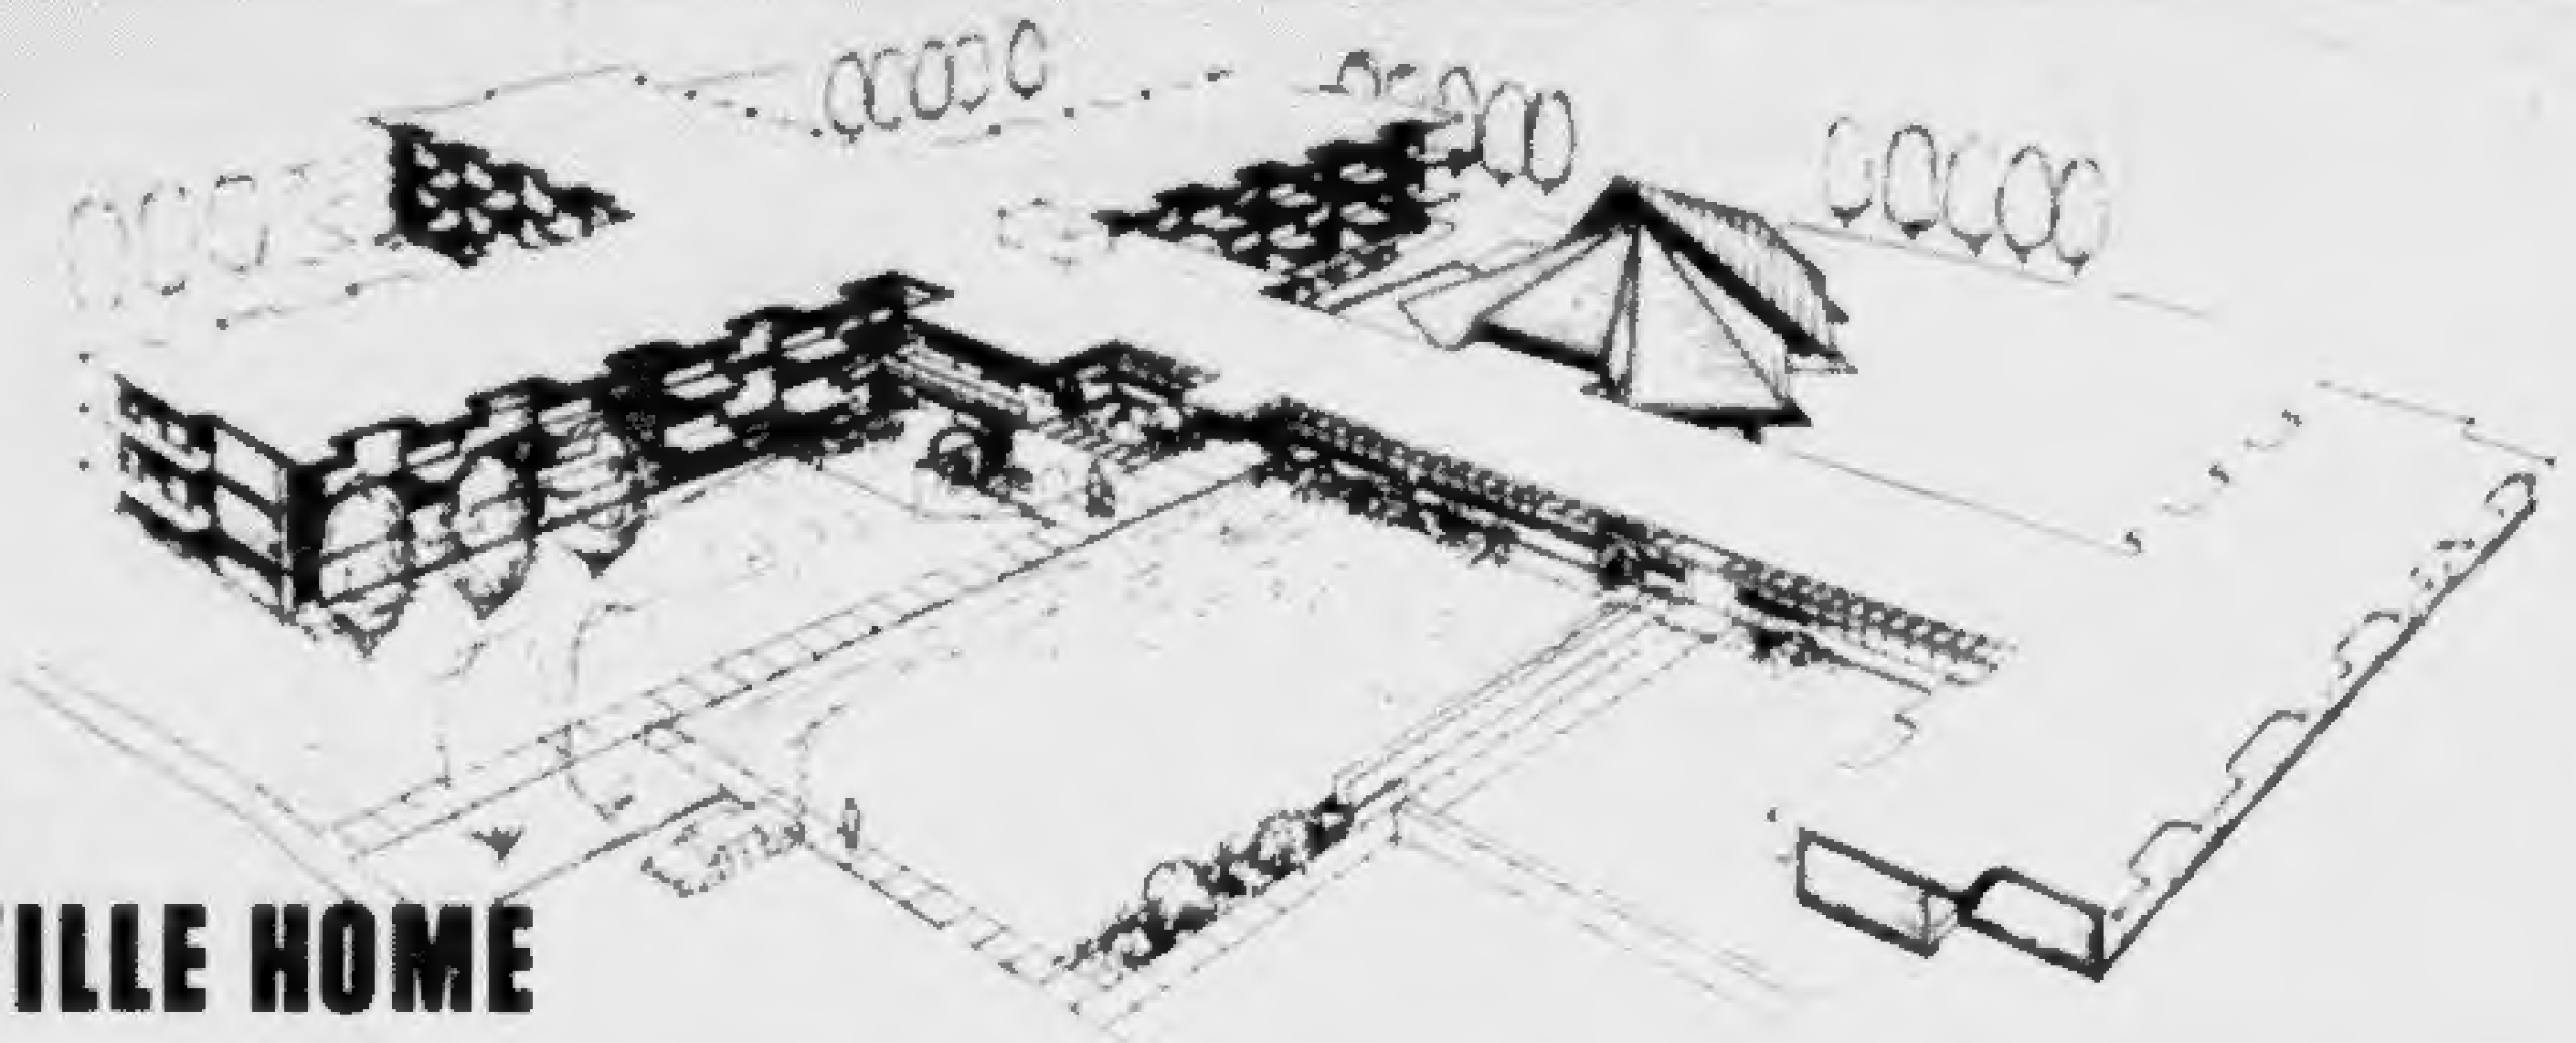

St. Matthew's Parish is in the midst of a membership drive aimed at enlisting every Anglican family in St. Albert in the work of the church.

The fledgling congregation, whose status was raised from a mission to a parish last winter, will hold its second annual dinner November 18th at the Club Mocombe. This will be followed by a Visitation Sunday November 22, when it's planned that all of some 225 Anglican families in the town will be called upon and reminded of the brotherhood of the church. There are 85 families enrolled in St. Matthew's Parish, with Sunday Services held in Leo Nickerson School. There is also an active Sunday School and womens auxiliary.

The two activity days come under a Partnership in the Gospel campaign, and it's hoped that when the visitations are completed, there will be 120 of St. Albert's Anglican families actively participating in the work of the parish. One hundred and twenty on the Parish Roll would make possible a start on a church and a beginning on the remainder of the congregational vision.

PRESBYTERIAN CHURCH

The Presbyterians will visit the Planetarium next Sunday at 4 p.m. They will meet at the masse between 3:15 and 3:30.

NEW YOUVILLE HOME

The Youville Home (Grey Nuns) of St. Albert have announced the awarding of a contract to McNamara Construction Western Ltd. for the construction of a new 150 bed Nursing Home, Chapel, Sisters' Residence and Administrative Offices to replace the present building located on the 'Hill' in Mission Park.

The new nursing home will be erected first, and the existing building demolished, and the chapel, residence and administrative unit built on the existing site.

On Wednesday, October 28th, officials gathered for the sod-turning ceremony to officially begin the new construction.

Total cost of the project will amount to \$1,145,000.00, with completion scheduled for November, 1965.

The present buildings were first erected in 1861, with additions in 1908 and 1919. Architects for the new home project are Messrs. Diamond-Clarke & Associates of Edmonton, Alberta.

VOTERS RIGHTS ASSOCIATION

Mr. A. Bryan, solicitor for the St. Albert Voters Rights Association applied to district court for an Application for Trial to set aside the October 14th election due to the inadequate facilities at the Polls. The application was granted for November 17th.

It is co-incidental that another group of three St. Albert citizens made application the same day through their own lawyer to begin action against Mayor Veness.

The St. Albert Voters Rights Association has a paid membership of 34 voters who are sharing the cost of their action, but have the support of approximately 700 voters who signed petitions.

The Association would like it known that this is an open membership organization, open to all voters in the Town of St. Albert. Application for membership may be made by phoning Mr. Bill Glover at 599-7968.

FIRST AID

A Junior First Aid Course will begin Saturday, November 14 in the Parish Hall. This is the second class, the first completed last Saturday. Due to the large enrollment and the many that were turned away, Miss Pauline Vaugois will begin a second class this Saturday. Registration is open to boys and girls 11 years and over. The fee is \$1.50. The

course is of benefit to all and particularly guides and scouts in their badge work.

HALLOWE'EN DANCE SUCCESS

The Halloween Masquerade Dance sponsored by the St. Albert and District Community League was pronounced a howling success by all who attended.

Costumes were among the best ever seen at this annual affair. Prizes for the best dressed couple were won by Mr. & Mrs. Campbell who attended as Diamond Lil and an Old Time Gambler. Second prize in this class went to Mr. & Mrs. Lafleur in Parisian costumes. Best dressed lady was won by Robin Hood impersonated by Marie Hnatiw, while a Mexican gentleman named Ben Hislop took the award for Best Dressed Man.

Judging was extremely difficult with the wide variety of costumes at the dance. Judges were Mr. & Mrs. Clarence Sadler and Mr. & Mrs. Steve Seiben.

Lively music for the affair was provided by Dave Terrault and his orchestra. Everyone said that they had a marvelous time -- the only regrets expressed were by some who arrived a little late and missed some of the hilarity.
